

AEC Matric Results 2025

The AEC is proud to announce an exceptional set of Matric results for 2025.

A total of **48 students** wrote the examinations, achieving a **100% pass rate** and a **100% Bachelor's Degree (BD) pass rate**.

In total, the cohort achieved **104 distinctions**, equating to **just over two distinctions per student**.

Distinction breakdown:

- 1 student achieved **8 distinctions**
- 2 students achieved **6 distinctions**
- 3 students achieved **5 distinctions**
- 1 student achieved **4 distinctions**
- 9 students achieved **3 distinctions**
- 11 students achieved **2 distinctions**

These results reflect steady application, sound teaching, and long-term commitment to academic excellence. They are especially commendable given that this cohort began their high school years during the disruptions of the Covid period, requiring resilience and adaptability from the outset.

As the AEC enters its **30th year**, with **over 1 000 alumni**, these results mark a strong and fitting beginning to this milestone year.

The AEC congratulates all learners and acknowledges the dedication of teachers and families, as well as the crucial support of sponsors, without whom these achievements would not have been possible.
